upon the exercise of the Warrants) will also be made on the basis of currently available public information.

- (f) The Purchaser's ability to sell, transfer or otherwise dispose of the Shares, Warrants and Warrant Shares is limited by, among other things, the Securities Laws and the policies of the Exchange. In particular, the Purchaser acknowledges having been informed that the Shares and Warrants, and any Warrant Shares issued upon exercise of the Warrants, are subject to resale restrictions under Canadian Securities Administrators' National Instrument 45-102 *Resale of Securities* ("NI 45-102") and may not be sold or otherwise disposed of in Canada for a period of four months from the date of distribution of the Units, unless a statutory exemption is available or a discretionary order is obtained from the applicable Securities Commission allowing the earlier resale thereof, and may be subject to additional resale restrictions if such sale or other disposition would be a "control distribution", as that term is defined in NI 45-102. If the Purchaser is not resident in Canada, additional resale restrictions may apply under the Other Applicable Securities Laws. In addition, the policies of the Exchange may require that the Shares, Warrants and any Warrant Shares issued upon exercise of the Warrants, not be sold or otherwise disposed of for a period of not less than four months from the Closing Date.
- (g) The representations, warranties, covenants and acknowledgements of the Purchaser contained in this Subscription, and in any exhibits or appendices or other documents or materials executed and delivered by the Purchaser hereunder, are made by the Purchaser with the intent that they may be relied upon by the Company and its professional advisors in determining the Purchaser's eligibility to purchase the Units. The Purchaser further agrees that by accepting the Shares and Warrants the Purchaser shall be representing and warranting that the foregoing representations, warranties, covenants and acknowledgements are true as at the Closing with the same force and effect as if they had been made by the Purchaser at the Closing and that they shall survive the purchase by the Purchaser of the Units and any Warrant Shares and shall continue in full force and effect notwithstanding any subsequent disposition by the Purchaser of the Shares, the Warrants or the Warrant Shares. The Purchaser hereby agrees to indemnify and save harmless the Company, and its directors, officers, employees, advisors, affiliates, shareholders and agents, and its counsel, against all losses, claims, costs, expenses and damages or liabilities which any of them may suffer or incur and which are caused by or arise from any inaccuracy in, breach or misrepresentation by the Purchaser of, any such representation, warranty or covenant. The Purchaser undertakes to immediately notify the Company of any change in any statement or other information relating to the Purchaser set forth herein or in any exhibit or appendix or other documents or materials executed and delivered by the Purchaser hereunder that takes place prior to the Closing.
- (h) The sale and delivery of the Units to the Purchaser is conditional upon such sale being exempt from the requirement to file a prospectus or registration statement or to prepare and deliver an offering memorandum or similar document under any applicable statute relating to the sale of the Units or upon the issuance of such orders, consents or approvals as may be required to permit such sale without the requirement of filing a prospectus or registration statement or preparing and delivering an offering memorandum or similar document. The Purchaser further acknowledges and agrees that the Company may be required to provide applicable securities regulatory authorities with a list setting forth the identities of the beneficial purchasers of the Units and that the Purchaser will provide, on request, particulars as to the identity of such beneficial purchasers as may be required by the Company in order to comply with the foregoing.

- (i) The Purchaser and, if the person signing this Subscription is acting as agent for a disclosed principal, such agent acknowledges and consents to the fact that the Company is collecting the Purchaser's, and, if applicable, such agent's personal information (as that term is defined under applicable privacy legislation, including, without limitation, the *Personal Information Protection and Electronic Documents Act* (Canada) and any other applicable similar, replacement or supplemental provincial or federal legislation or laws in effect from time to time), for the purpose of completing this Agreement. The Purchaser and, if the person signing this Subscription is acting as agent for a disclosed principal, such agent acknowledges and consents to the Company retaining such personal information for as long as permitted or required by law or business practices. The Purchaser and, if the person signing this Subscription is acting as agent for a disclosed principal, such agent further acknowledges and consents to the fact that the Company may be required by the Securities Laws, the rules and policies of any stock exchange or the rules of the Investment Industry Regulatory Organization of Canada to provide regulatory authorities or stock exchanges with any personal information provided by the Purchaser or, if applicable, such agent in this Agreement. The Purchaser and, if the person signing this Subscription is acting as agent for a disclosed principal, such agent represents and warrants that they have the authority to provide the consents and acknowledgements set out in this Subsection 6.1(h). In addition to the foregoing, the Purchaser and, if the person signing this Subscription is acting as agent for a disclosed principal, such agent acknowledges and agrees that the Company and its professional advisors and agents may use and disclose the Purchaser's and, if applicable, such agent's personal information, and consents thereto, as follows:
- (i) for internal use with respect to managing the relationships between and contractual obligations of the Company and the Purchaser;
 - (ii) for use and disclosure for income tax related purposes, including without limitation, where required by law, disclosure to the Canada Revenue Agency;
 - (iii) disclosure to stock exchanges and securities regulatory authorities and other regulatory bodies having jurisdiction with respect to approval or acceptance for filing of the Offering, reports of trades and similar stock exchange or regulatory filings including, without limiting the generality of the foregoing, disclosure to the "Exchange" (as that term is defined for purposes of this Subsection 6.1(h)(iii) in Exhibit I attached hereto) pursuant to the Private Placement Notice Form (Exchange Form 4B) to be filed by the Company in respect of the Offering and the collection, use and disclosure thereof by the Exchange for the purposes described in Exhibit I or as otherwise identified by the Exchange from time to time;

- (l) The Purchaser has such knowledge in financial and business affairs as to be capable of evaluating the merits and risks of the Purchaser's proposed investment in the Securities.
- (m) This Subscription is conditional upon its acceptance by the Company and the Agreement is conditional upon the acceptance for filing of the Offering by the Exchange.

- (o) The Purchaser is aware that (i) the Company may complete additional financings in the future in order to develop the Company's business and to fund its ongoing development, (ii) there is no assurance that such financings will be available and, if available, on reasonable terms, (iii) any such future financings may have a dilutive effect on the Company's securityholders, including the Purchaser, and (iv) if such future financings are not available, the Company may be unable to fund its on-going development and the lack of capital resources may result in the failure of the Company's business.
- (p) The Company may pay a finder's fee or commission in respect of all, or part of, the Offering in cash, shares, warrants or a combination thereof, as may be permitted by the applicable Securities Laws and the policies of the Exchange.

You are buying Exempt Market Securities

They are called *exempt market securities* because two parts of securities law do not apply to them. If an issuer wants to sell *exempt market securities* to you:

- the issuer does not have to give you a prospectus (a document that describes the investment in detail and gives you some legal protections), and
- the securities do not have to be sold by an investment dealer registered with a securities regulatory authority or regulator.

There are restrictions on your ability to resell *exempt market securities*. Exempt market securities are more risky than other securities.

You may not receive any written information about the issuer or its business

If you have any questions about the issuer or its business, ask for written clarification before you purchase the securities. You should consult your own professional advisers before investing in the securities.

You will not receive advice [*Instruction: Delete if sold by registrant*]

Unless you consult your own professional advisers, you will not get professional advice about whether the investment is suitable for you.

The issuer of your securities is a non-reporting issuer [*Instruction: Delete if issuer is reporting*]

A *non-reporting issuer* does not have to publish financial information or notify the public of changes in its business. You may not receive ongoing information about this issuer. You can only sell the securities of a non-reporting issuer in very limited circumstances. You may never be able to sell these securities.

The securities you are buying are not listed [*Instruction: Delete if securities are listed or quoted*]

The securities you are buying are not listed on any stock exchange, and they may never be listed. There may be no market for these securities. You may never be able to sell these securities.

For more information on the exempt market, refer to the Saskatchewan Financial Services Commission's website at <http://www.fcaa.gov.sk.ca/>.

[*Instruction: The purchaser must sign 2 copies of this form. The purchaser and the issuer must each receive a signed copy.*]

- (h) understands and agrees that the Warrants may not be sold or otherwise transferred to, or exercised in the United States or by or on behalf of a U.S. Person or person in the United States unless such securities are registered under the 1933 Act and any applicable state securities laws or unless an exemption from such registration requirements is available;
- (i) acknowledges that the Purchaser has not purchased the Securities as a result of, and will not itself engage in, any "directed selling efforts" (as defined in Regulation S under the 1933 Act) in the United States in respect of the Securities which would include any activities undertaken for the purpose of, or that could

reasonably be expected to have the effect of, conditioning the market in the United States for the resale of the Securities;
